- **रिक्त स्थान:** पाठ्यपुस्तक (जैसे 'दैनिक' या अन्य) से वाक्यों में रिक्त स्थान की पूर्ति का अभ्यास करें।

3. रचनात्मक गतिविधियाँ (Creative Activities)

- एक पुराना गमला या बोतल लेकर उसमें पौधा लगाएँ और उसकी देखभाल के बारे में एक विवरण लिखें।

नोट: सभी कार्यों को A4 शीट पर या एक अलग पतली नोटबुक में करें। सुंदर लिखावट का विशेष ध्यान रखें।

French

🌞 French Summer Odyssey: Holiday Homework French

Chers élèves,

! Your holiday homework is designed to be a creative, hands-on exploration of Culture, Gastronomy, and Fashion.

Please check your Roll Number to find your specific theme:

🏛️ **Roll No. 1–10: Culture & Heritage**

- * 3D Model: Build an iconic monument (Eiffel Tower, Louvre, etc.) using recycled materials.
- * Symbolism Research: Create a chart on the Tricolore Flag, Marianne, and the Gallic Rooster.
- * Virtual Tour: Visit the Louvre online and write a journal about 3 artworks that inspired you.

🍷 **Roll No. 11–20: Gastronomy (The Art of Food)**

- * Cheese & Bread Map: Map out 5 French regions with their famous fromages and pains.

OR

- * Café Menu: Design a menu for a Parisian café (Petit Déjeuner, Déjeuner, Boissons) with prices in Euros (€).

👗 **Roll No. 21 onwards: Fashion & L'Art de Vivre**

- * Fashion Timeline: Create a collage comparing classic royal styles to modern "Parisian Chic."
- * Designer Profile: Create a "Who's Who" card for a legend like Chanel or Dior.

📄 **Submission Guidelines:**

- * Language: At least 50% of your work must be in French (titles, captions, labels).
- * Aesthetic: Use colors and themes that reflect the French spirit.

Profitez bien de vos vacances! (Enjoy your holidays!) 🍷🌟

Au revoir,

संस्कृत

ग्रीष्मकालीन अवकाश गृहकार्यम्

COMPUTER

E-commerce, short for electronic commerce, is the buying and selling of goods and services over the internet or through online platforms. It involves electronic transactions between businesses and consumers, or between businesses themselves.

Name the e-commerce applications names.

1.			5.		
2.			6.		
3.			7.		
4.			8.		

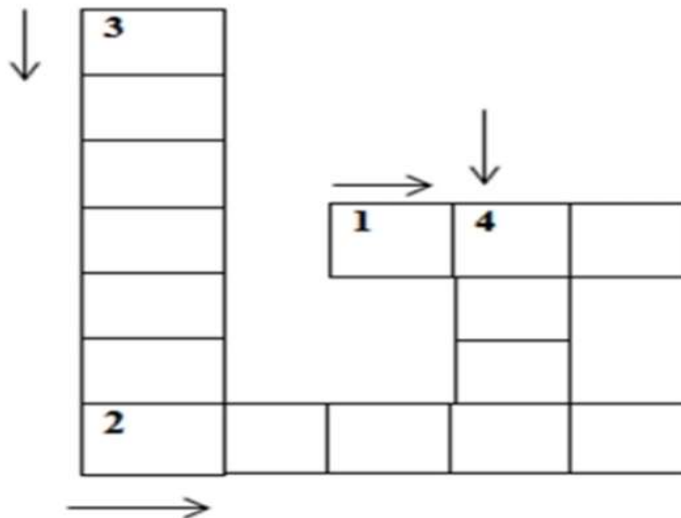

Solve the crossword given alongside using hints as given below.

Across

1. A type of chart characterized by horizontal bars.
2. Seen by spider net like pattern.

Down

3. Show using dots on X-Y plane.
4. Like line chart, but area under curve is highlighted.

Project Work:

1) Make a digital presentation by using any software (Canva, Krita etc.) explaining at least 10 internet services and their real life examples.

2) Visit with your parent for shopping and create your shopping bill in MS-Excel using the following columns:

- S. No.
- Name of item
- Unit price
- Quantity
- Total Price

- Use a formula to calculate **Total Price = Quantity × Unit Price.**

- Add the rows to find

- Grand Total using the SUM function.
- The price of most expensive item using max function.
- The price of less expensive item using min function.
- Display date of shopping using today function.

- Format prices in **Rupees.**

- Use **borders and bold headers** to make it look like a real bill.

- Create a pie chart to show the price of each item.

Note: Submit your project on computer teacher's email id:
